5mm crochet hook
Small amount of poly fill
Stitch markers
Darning needle
Scissors

Suggested colors:

Ice cream scoop/ hat: white/vanilla pink/strawberry green/mint brown/chocolate

Syrup: brown/chocolate red or pink/strawberry

Whipped cream: white

Cherry: red

I used different colors of scrap yarn for the sprinkles

TERMINOLOGY:

MR: magic ring
DC- double crochet
SC- single crochet
HDC- half double crochet
SL- slip stitch
SK- skip
INC: increase
DEC: decrease
ST- stitch
CH- chain

NOTES:

- Chain 2 does not count as a stitch throughout.
- Sl to the 1st stitch at the end of each row.

- Chain 2 at the beginning of each row unless stated otherwise.

ICE CREAM SCOOP/HAT:

MR

Row 1: ch2, 12dc inside ring (12)

Pull ring closed.

Row 2: ch2 , dc inc in each st. (24)

*Row 3: ch2, *1dc, dc inc* repeat til end. (36)*

*Row 4: ch2, *1dcx2, dc inc* repeat til end. (48)*

*Row 5: ch2, *1dcx3, dc inc* repeat til end. (60)*

Row 6-12: ch2, 1dc in each st (60)

Row 13: ch1, sc dec in each st. (30)

if needed, you can alternate between sc, & sc dec as needed. Keep in mind when adding the ruffle it will cause the hat to stretch a bit & acrylic yarn does stretch over time.

Row 14-16: ch2, 3dc in each st. Fasten off

if you find you need to add more rows to make the hat longer feel free to add as many additional rows as needed and then proceed to steps below.

SYRUP:

MR

Row 1: ch2, 12dc (12)

Row 2: ch2 , dc inc in each st. (24)

*Row 3: ch2, *1dc, dc inc* repeat til end. (36)*

*Row 4: ch2, *1dcx2, dc inc* repeat til end. (48)*

*Row 5: ch2, *1dcx3, dc inc* repeat til end. (60)*

Drips:

1. Ch12, sk 1 st. sc in each st back up the chain. (11)

Sl to same st and into the next 6st.

2. Ch4 , sk 1st, turn, sc in each st. (3)

Sl to same st and into the next 6st.

3. Ch10, sk 1st, turn, sc in each st. (9)

Sl to same st and into the next 6st.

4. Ch6, sk 1st, turn, sc in each st. (5)

Sl to same st and into the next 6st.

Repeat 1-4 one more time.

Ch12, sk 1 st. sc in each st back up the chain. (11)

Sl to same st and into the next 5st. Sl into the beginning st where our first drip started

Ch1, 1hdc in same sp & in each st down our drip. Place 3 hdc into the skipped chain at the end. Continue placing 1hdc in each st back up our the ch.

Hdc in each st until the next drip and continue this all the way around until back at the beginning. Remember to place 3hdc in skipped ch at the end of each drip.

Fasten off leaving a very long tail for sewing.

Sew the syrup onto the top of the hat. I like to use my needle in insert the starting tail of my drip into the center of my hat and tie both starting tails together. This is to help ensure it is sitting perfectly center. Also use stitch marker to lay the drips before sewing to ensure they are sewn evenly.

Whipped cream:

Using white yarn

Ch42, sk 2st. 3dc in each st til end.

Fasten off leaving a long tail for sewing.

You will now have this long spiral, shape this to your desired look and sew on to the top of your hat.

CHERRY:

Using 4mm

The cherry will be worked in rounds, meaning we do not sl at the end. I suggest placing a st marker in the first st each round.

MR

Row 1: 6sc in ring. (6)

Row 2: 2sc in each st. (12)

Row 3: *1sc, inc* repeat x6. (18)

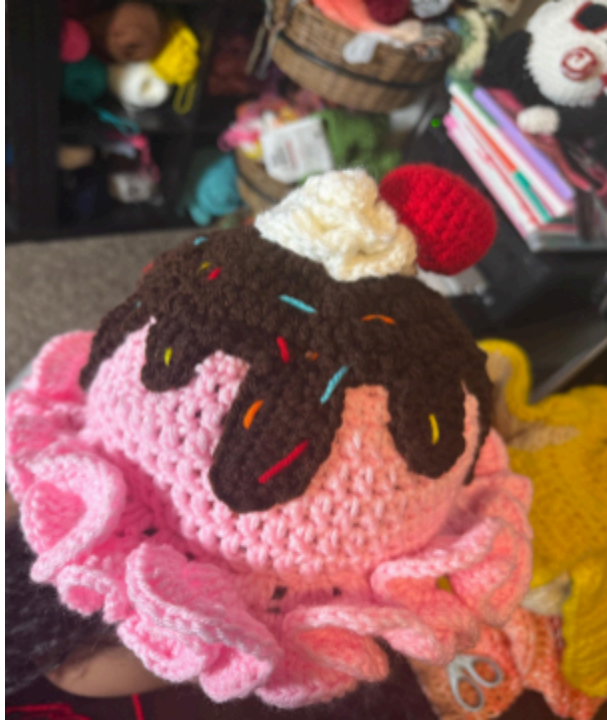

Row 4-6: sc in each st. (18)

Row 7: *sc, dec* repeat x6. (12)

Stuff

Row 8: dec x6, sl. Fasten off leaving a tail for sewing.

Sew the cherry on to the whipped cream.

SPRINKLES:

Using scrap yarn in different colors sew small lines all around on top of the syrup part of the hat.

Weave in any loose ends remaining and your sundae hat is finished!!
